Dear Maria,

Thanks for getting in touch. We'd be pleased to provide a quote for your parish website.

We can apply our 30% Norfolk PTS discount to make your annual subscription £315 ex vat. That discounted price will stay with your account each year of your subscription.

Our subscription package includes:

- **Website** - a modern, accessible and responsive website using the Government design guidelines
- **Email** - up to 20 mailboxes with 5GB storage each which are accessed through the provided apps for windows, mac or phone, via webmail, or you can connect it to your own phone or computer mail apps.
- **Gov.uk domain** -
  - we register your new [gov.uk](https://www.gov.uk) domain and pay the fees instead of you having to pay for it. The domain is owned by you, but we manage it.
  - Your new domain needs to fit the following structure options;

[somethingparishcouncil.gov.uk](https://somethingparishcouncil.gov.uk)

[somethingparish.gov.uk](https://somethingparish.gov.uk)

[something-pc.gov.uk](https://something-pc.gov.uk)

Our service also includes:

- **Hosting** - the servers where your website live
- **Ongoing Maintenance and Upgrades** - we may have a slightly higher ongoing cost than other providers, but we invest in your service to make sure it's always the latest new features, security upgrades or updates to align to new legislation
- **SSL Certificate** - this keeps your site encrypted and safe for visitors
- **Content Migration** - we port over as much content from your current site as possible at no extra cost.

- **Accessibility** - our sites always follow the latest Web Content Accessibility Guidelines (WCAG). Our sites already conform to WCAG 2.2 AA which is a requirement from October 2024 onwards.

We can get websites ready in around 3-4 weeks, so have a quick turnaround for the service.

If you'd like to go ahead please let me know what domain you'd prefer and we'll get started.

Regards

Wendy
